34 "19th and 20th century movement run for upliftment of women were started by male social reformers". Discuss with suitable example.

35 Read the following paragraph and answer the questions - 6  
In the mid 1970s there was a renewal of the women's movement in India. Some call it the second phase of the Indian Women's movement. While many of the concerns remained the same there were changes both in terms of organisational strategy as well as ideologies. There was the growth of what is termed as the autonomous women's movements. The term 'autonomy' referred to the fact that they were 'autonomous' or independent from political parties as distinct from those women's organisations that had links with political parties, It was felt that political parties tended to marginalise issues of women.

(I) What do you understand by women's movement ? When did the Women's movement get renewed in India? 2

(II) What was the trend of political parties on women's issues? Explain in detail. 4
