Key Challenges Affecting Student Performance

1. LOW ATTENDANCE: Most of the low achiever students were not regular in school, parents negligent attitude towards their wards attendance.

2. INSUFFICIENT CLASSROOMS:

A significant portion of the school building has been declared "unsafe" by PWD, but Sanction for structural audit has been received.

3. PARENTAL FACTORS:

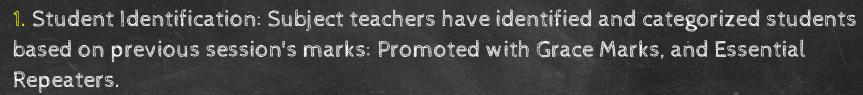

Many a time, there is a lack of consistent parental support. Frequent visits to home town/villages hampers student's attendance. Sometimes students lack favourable resources at home, hindering their ability to consolidate school efforts.

* STEPS UNDER TAKEN TO RESOLVE CHALLENGES

- 1. Regular counseling of parents and students for regular attendance.
- 2. Awarding badges to students with 100% attendance in the morning assembly
- * 3. Appreciating those students who used to be irregular but have shown increase in attendance.
 - 4. Usage of all available rooms like Vice Principal's room, music room, sport's room, staff rooms, etc as classrooms.

Action Plan for Foundational Competencies for Classes VIII, IX & XI.

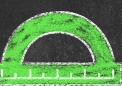

2. Improving Attendance: Continuation of existing practices by class teachers, including rewards for 100% attendance, appreciation in assembly, and counseling of students and parents.

5. Enabling Learning Environment: Teachers are fostering a positive classroom environment

through:

- Use of name-tags.
- Culture of appreciation for every small effort.
- Creating a safe space for child's expression.
- Emotional bonding with students.

- 6. Focus on High-Scoring Area: Teachers identify high-scoring areas, prepare mind-maps, and transfer this knowledge to students for better retention.
- 7. Counseling Sessions: Regular counseling and stress management sessions with students by EVGC.
- 8. Innovative approach and best practices adopted by Teachers which contribute significantly to their outstanding achievements.
- 9. For high achiever students more practice of PYQs, regular class test to improve speed and accuracy, maintain error 'notebook' and revise it frequently.
