Gamification and Project based learning

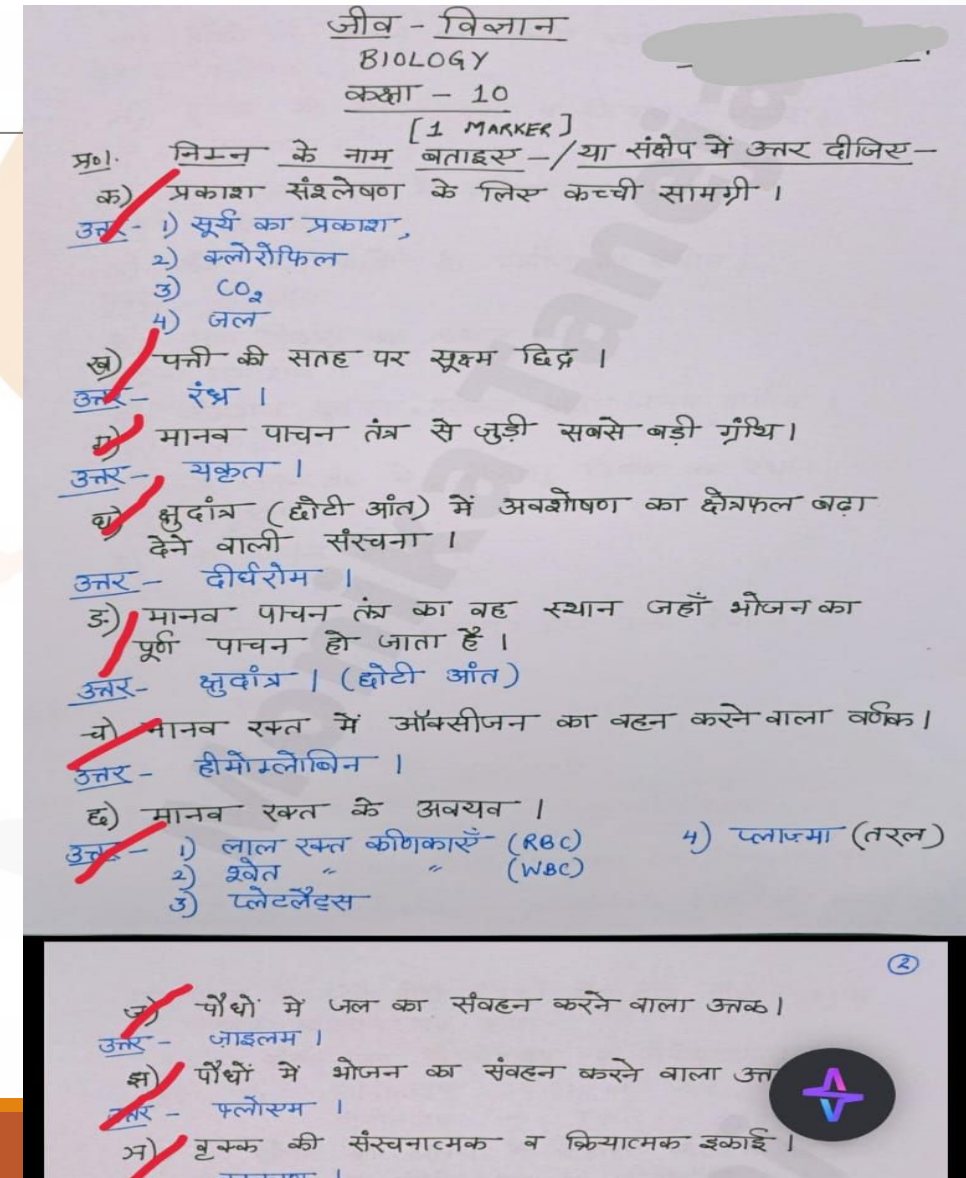

Interactive

Integrating games and quizzes to make revision "low-stakes" and fun.

Learning:

The 50-Question Power Bank: Curated for every subject.

Recall Tools: Includes one-word answers for quick recall and high-weightage topics.

Behavioural Reinforcement

Incentivizing Success: Attaching tangible or social rewards to specific milestones.

Regular Attendance: Rewarding "showing up" as the first essential step to success.

Performance Growth: Celebrating the "distance travelled" (improvement) rather than just focusing on top marks.

Supporting Low Achievers and students with low attendance

Curated Content: Providing a high-yield syllabus designed to build confidence and ensure passing grades. Individualised identification of easy and difficult chapters

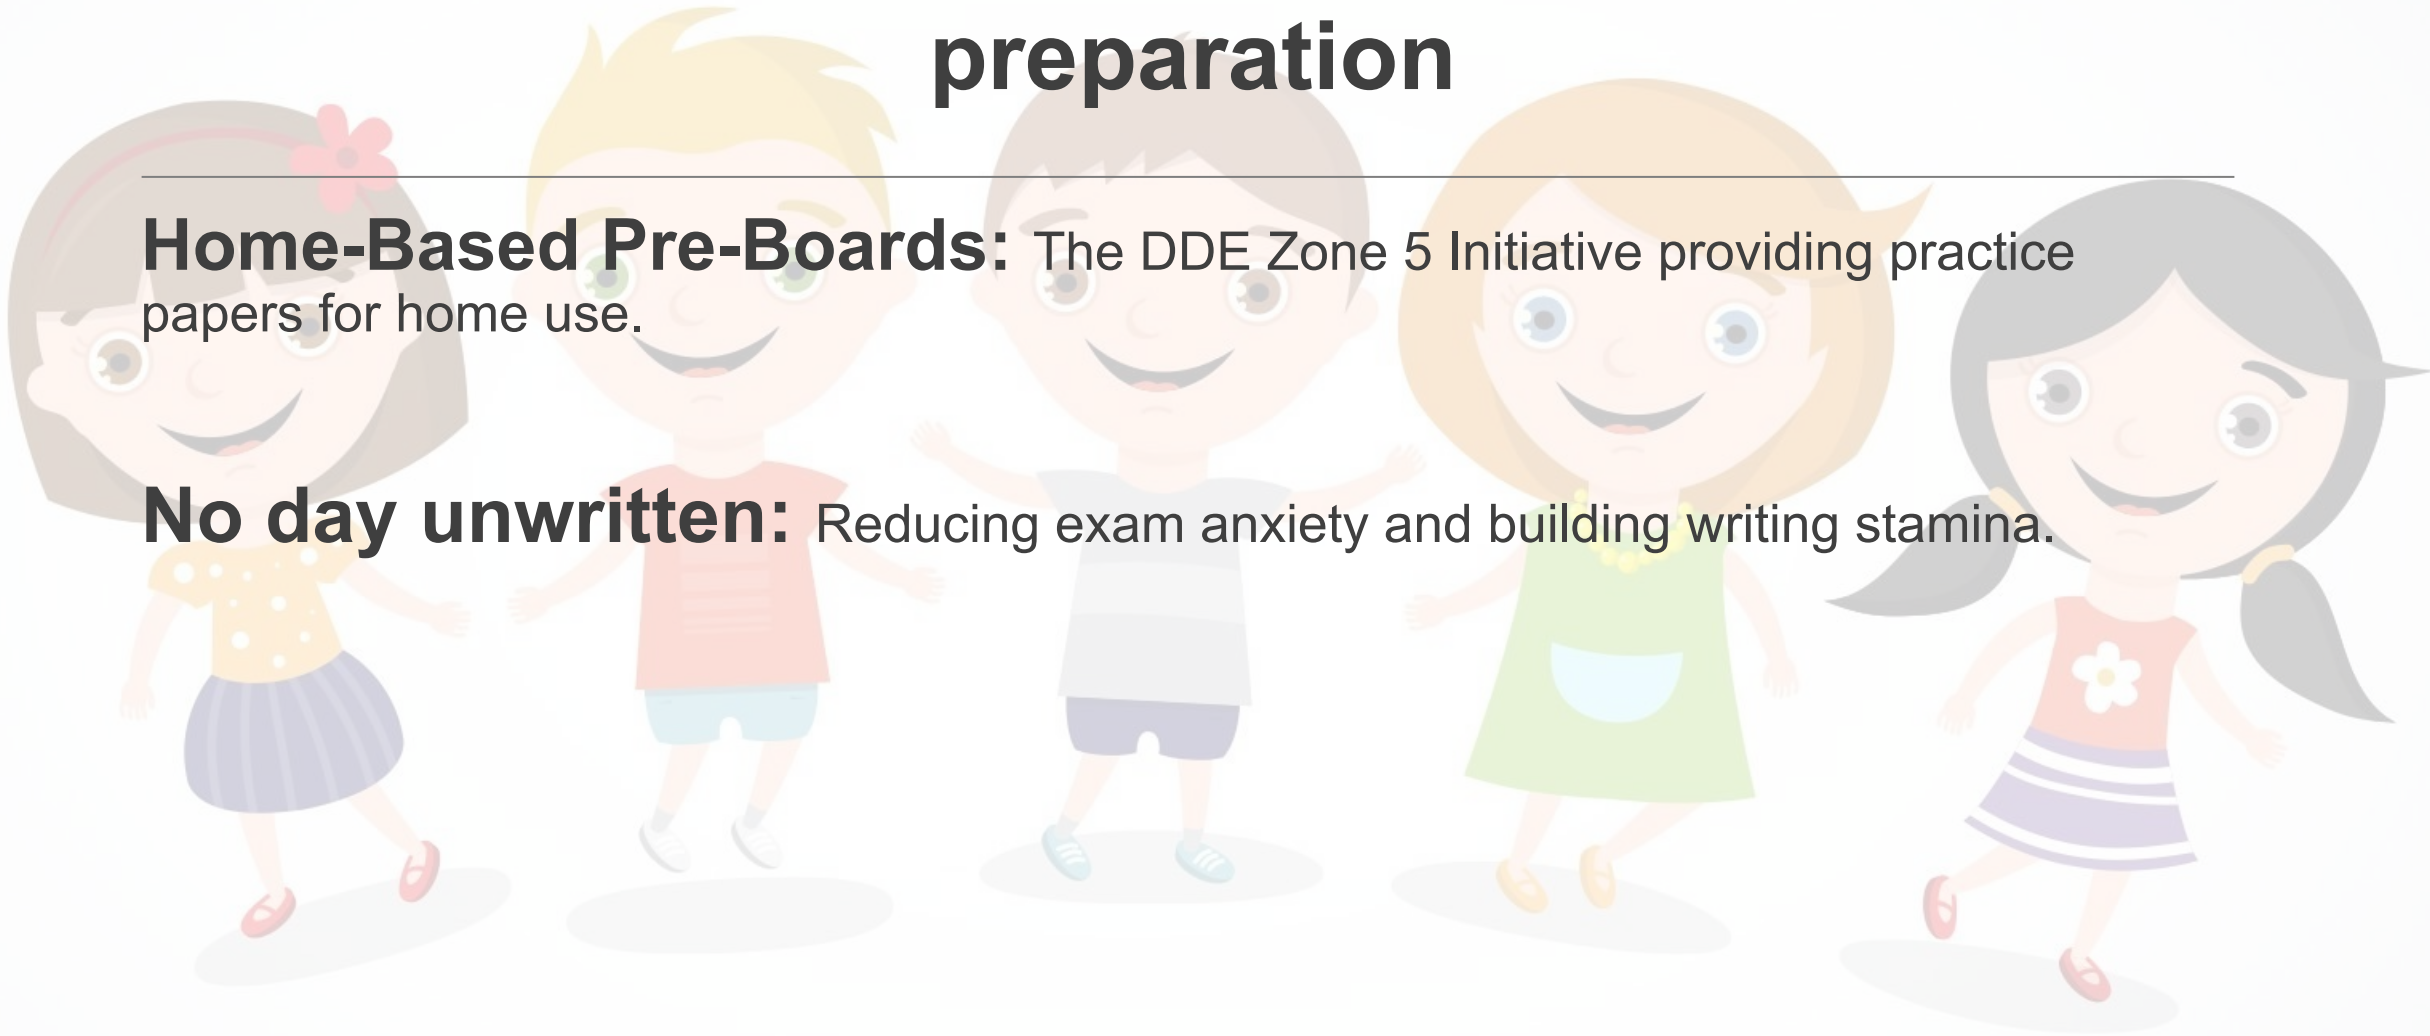

Voice Notes: Brief explanations of complex topics delivered via audio for students who can't come to school regularly.
