for April–May 2026 Examination (Class X and Class XII).**

All learners of Class X and Class XII, enrolled at Patrachar Vidyalaya and appearing in the April–May 2026 NIOS Examination for the Academic Session 2025–26 are hereby informed that preparation of Tutor Marked Assignment (TMA) is a mandatory academic requirement for all applicable theory subjects. The TMA carries a certain weightage in the final result.

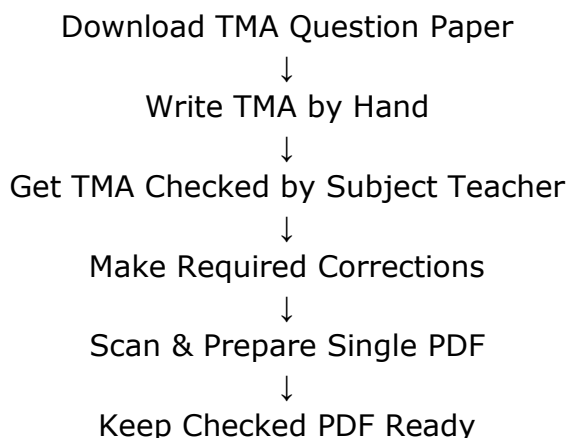

Students must download the prescribed TMA question papers from the NIOS website under ***Student Information*** → ***Tutor Marked Assignment (TMA)*** by selecting the appropriate course/class and subject. The TMA must be **handwritten on A4 size plain sheets using blue ink** only. Typed or printed TMAs will not be accepted. Each page must clearly mention the following details:

- Student's Name,
- Enrollment Number,
- Subject Name & Code,
- Medium and
- Academic Session (2025–26).

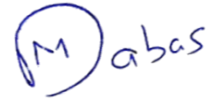

After completing the handwritten assignment, students are required to get their TMA checked by the concerned Subject Teacher at the Personal Contact Programme (PCP Centre) Classes. The teacher will verify the assignment and suggest corrections wherever required. Students must incorporate the suggested corrections and finalize the assignment only after it has been duly checked.

Once the TMA is checked and finalized, students must scan or take clear photographs of the corrected assignment and prepare one single PDF file for each subject. The PDF must be clear, complete and readable. Students are instructed to keep the checked PDF ready and wait for further instructions regarding online upload and submission of hard copy of the same. **Last date of TMA Submission is 31st January 2026.**
